REMEMBER TO RECYCLE YOUR OLD PHONE BOOK! SEE FOLLOWING INSTRUCTIONS.

- Ontario Government Employees Within Metro Toronto:
- Remove page markers and DROP IN WHITE NEWSPAPER SAVER BIN LOCATED IN COMMON AREAS.
- Ontario Government Employees Outside Metro Toronto:
- Call your building manager to ask if the recycler accepts phone books, and if so, how to proceed.
 - If the recycler does not accept phone books, or your building does not have a recycling program, here’s how to recycle your old phone books:
 - Remove page markers,
 - pack in same cartons in which new books were received,
 - mark boxes “For Recycling”, and
 - send in bulk to your own ministry mailroom.

TELECOMMUNICATIONS SERVICES

A complete range of telecommunications services is available to all government users. GO-Net services encompass telephone (local and inter-city), fixed and mobile radio communication systems, radio paging systems, data communication systems, voice processing systems, facsimile, video, satellite and various other special telecommunication systems. A new series of value added services have been introduced as part of GO-Net, they include: Electronic Data Interchange (EDI), Credit Card Authorization Services, and the Electronic Post Office (EPO). Both operational and advisory services are provided. Operational services include telecommunication systems design, systems/service acquisition, systems implementation, and the provision and management of shared multiministry telecommunication services. Advisory services include system feasibility studies, systems planning, hardware and software evaluation, project management and coordination, and both the preparation of request for proposals and evaluation of supplier proposals.

To obtain information or assistance regarding these services, call your MBS Customer Support Representative. The name and number are located under the Services Division, Information Technology Customer Service and Support Branch, Customer Service Section listings within the Management Board Secretariat section of the Management Board of Cabinet.

VOICE PROCESSING SERVICES

Users of **VOICE MESSAGING** can accomplish more with their time. By using the shared long distance Ontario Communications Network (OCN), users can call anywhere in the province and leave detailed messages in their own voice, sometimes eliminating the need for a two-way person-to-person conversation. Voice Messaging allows users to reach people who are frequently away from the office and also allows those working off site to communicate with their colleagues. And, through the networking feature, subscribers can create and then distribute, with one phone call, a common message to other Voicenet subscribers located elsewhere in the province regardless of time of day.

INFORMATION MAILBOX/AUDIOTEX lets callers get information without the need to speak with a "real" person. The information mailbox can be designated to handle many categories of routine and frequently asked questions to allow the public greater access to government information. This lets staff handle more calls around the clock. Enhanced optional capabilities allow callers to both record replies to announcements and reach an operator.

AUTOMATED ATTENDANT answers incoming calls promptly and guides callers to select the extension of the right person or department. When calling into a general inquiry number, the caller is prompted to enter the person's extension number or to spell the person's last name. After the number or name is entered using a touch-tone keypad, the automated attendant service transfers the caller to the desired extension. If a specific ministry person is not known or required, the caller has the option of speaking with the ministry attendant.

INTERACTIVE VOICE RESPONSE (IVR) is a service used to automate both telephone inquiries and business transactions. Using a touch-tone keypad, authorized callers can access pre-recorded information about a ministry program and then enter or get approved information from the ministry host computer. Information is spoken back to the caller in a pre-recorded voice without operator involvement. Enhanced features offer the ability to conduct credit card transactions, including payments.

AUDIO TELECONFERENCING (CONFERENCE CALL)

Audio Teleconferencing is an innovative and practical way to have meetings with your colleagues using the telephone without the need to travel. This service allows you to have meetings any time, anywhere, with many people at different locations.

All you need is a regular phone, or you can use boardroom conference speaker phones.

It is a convenient, economical, reliable and timesaving service available to the Government of Ontario. An excellent resource for regularly scheduled meetings, special meetings, emergency meetings, presentations, announcements, training and education, planning sessions and consultations.

To make a reservation call (416) 325-3400 between the business hours of 8:00 a.m. to 6:00 p.m., Monday through Friday.

For an information package or more information on audio teleconferencing call (416) 327-3113 or (416) 325-1092

YOU AND YOUR VOICE MAIL TIPS FOR SUCCESS

Voice mail, a Voicenet Ontario service provided by Management Board Secretariat, can be one of your most effective business tools, whatever your job or your ministry.

Voice mail improves your ability to communicate because it can be used any time of the day or night, regardless of office hours and time zones.

But it's important to be professional in your use of voice mail—or else it could be seen as impersonal and irritating to your callers.

By adopting the following guidelines, you can help ensure you take full advantage of this service and avoid any pitfalls!

Answer Your Phone When You're At Your Desk

- don't use voice mail to screen calls

Use Call Forwarding

- call forward your phone when away from your office—don't make your callers wait 3-4 rings before being answered

Personal Greetings Are Important

- update your personal greeting daily
- make it enthusiastic and courteous
- indicate when the caller can expect to have her/his call returned
- offer an alternate contact for emergencies
- return messages promptly
- use the extended absence greeting when you plan to be away for more than a day

Give Your Callers An Option

- using a Touch-Tone phone, callers should be able to 'press 0' and be connected to your receptionist during office hours
- rotary dial callers should be given an alternate greeting telephone number to call to reach your 'live' telephone support person
- clearly state this information in your personal greeting—callers have the right to speak to a human being!

Be Security Conscious

- use a minimum six digit password—maximum fifteen
- keep your password confidential
- don't use easily guessed numbers such as your phone number, birth date or the same repetitive digit
- change it once a month
- suspect a security problem? Contact your Ministry Voice Mail Coordinator

A Sample Personal Greeting You May Wish To Consider

- you have reached (name)
- today is (date)
- I'm in the office today, but either on the phone or away from my desk
- please leave a detailed message after the tone, and I'll return your call as soon as possible
- if you need immediate assistance, press '0' on your touch-tone phone or dial (reception number)
- thank you

Following these tips will help us to meet our common objective of providing good customer service to our callers!

CALL DISPLAY

Call display, also known as Caller ID, presents a visual display of the calling party's telephone number on a special type of telephone equipped with a screen.

Caller ID is presently used within the government of Ontario only for internal calls; however, increased use is probable as the technology becomes more widespread.

As Caller ID becomes more widely available, concerns have been raised about the potential for this technology to invade an individual's privacy. The primary concern is that Caller ID allows for the display and collection of telephone numbers without the knowledge or consent of the caller.

Below is a summary of Caller ID guidelines developed by the Information and Privacy Commissioner/Ontario under the mandate of the Freedom of Information and Protection of Privacy Act and the Municipal Freedom of Information and Protection of Privacy Act.

- **APPROPRIATENESS OF CALLER ID**

Be sure to carefully evaluate the usefulness and appropriateness of knowing who is calling and from where in order to determine legitimate circumstances for using Caller ID.

- **IDENTITY OF CALLER**

Do not assume the identity of a caller based on caller display information. Employees should take all reasonable and appropriate steps to verify the identity of the caller before disclosing personal information over the telephone.

Because call display may not provide a reliable mechanism for identifying a caller, automatic retrieval of files containing personal information on the basis of caller display only is not recommended.

- **BUSINESS CALLS MADE BY GOVERNMENT EMPLOYEES FROM NON-GOVERNMENT TELEPHONES**

Employees should take steps to guard against the potential collection and misuse of the telephone number, when making business calls from telephone lines outside of government offices. These steps may include the use of call blocking or public telephones. Free call blocking is available for most telephone lines upon request from the telephone company. Where call blocking has not been previously requested or is not available for a telephone line, there will be a charge for blocking caller display information through the operator.

- **LOCATION OF CALLER ID EQUIPMENT**

Steps should be taken to ensure that equipment is located in a manner such that caller display information is not disclosed to unauthorized individuals or others who do not have a need to know.

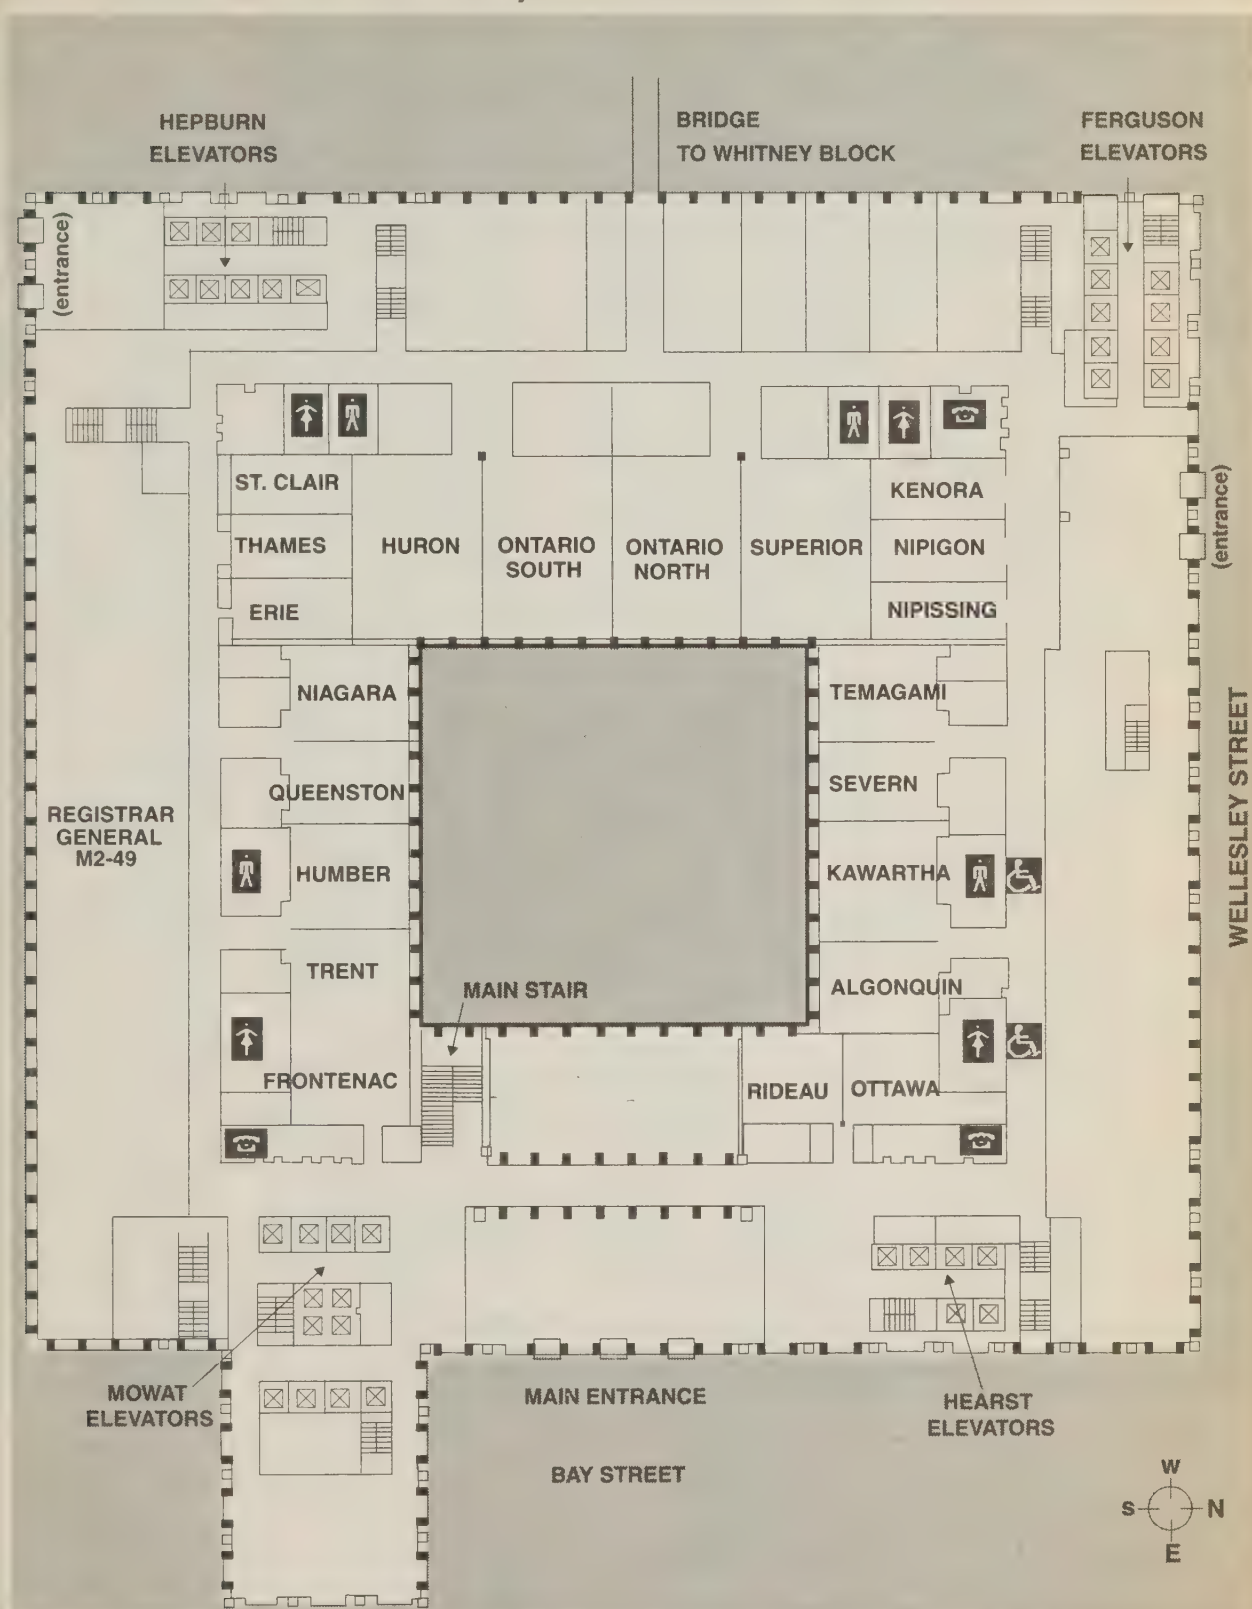

CONCLUSION:

An awareness of the privacy concerns associated with Caller ID should be integrated into the daily practices of government organizations using this service.

LEGISLATIVE ASSEMBLY OF ONTARIO

The Legislative Assembly, commonly called the House, consists of 130 Members of Provincial Parliament (MPPs) elected to represent the people in their constituencies. The Assembly performs legislative, financial and critical functions. It considers proposals for legislation or bills; enacts, amends and repeals legislation; authorizes the collection of funds from the people of Ontario; and scrutinizes the policies put forth by the government. As the presiding officer, the Speaker of the Assembly is responsible for both the policy and operations of the Legislature. The Clerk of the Assembly, in the capacity of principal permanent officer, provides the Speaker and MPPs with procedural advice.

COMMISSION ON ELECTION FINANCES

Ste 1110 151 Bloor St W
Toronto ON M5S 1S4

The Commission on Election Finances administers the Election Finances Act, which provides for registration of Ontario's political parties, constituency associations, candidates in provincial elections, and leadership contestants. During a provincial election campaign, the Commission supervises limits on campaign expenses and political contributions to registered parties, constituency associations and candidates, and imposes a time period for advertising. Political parties and candidates may obtain subsidies for campaign expenses. Tax credit receipts are provided for contributions, within set limits, to parties, riding associations and candidates. Leadership contestants must file audited financial statements of income, including a list of contributions over \$100, and expenses. There are no limits on contributions, and tax credits for leadership contestants. All Filings are made public. E-Mail: gorden@inforamp.net

INFORMATION AND PRIVACY COMMISSIONER/ ONTARIO

Ste 1700 80 Bloor St W
Toronto ON M5S 2V1

The Information and Privacy Commissioner (IPC) oversees the Freedom of Information and Protection of Privacy Act and the Municipal Freedom of Information and Protection of Privacy Act. These acts grant individuals the right of access to government-held records and the right to protection of personal information held by the government. The office has two responsibilities: ensuring the public's right of access to government-held information; and protecting the individual's right of privacy, as it relates to personal information held by provincial and local government organizations. Anyone not satisfied with a government decision about access to information may ask the IPC to review the government's decision. In addition, the IPC investigates complaints from individuals who feel the government has wrongfully collected, used, or disclosed their personal information. The Commissioner reports directly to the Legislative Assembly.

The Ombudsman investigates and resolves public complaints about decisions or actions made by an Ontario government Ministry, Board, Agency, Tribunal or Commission. Reporting to the Legislature, the Ombudsman is independent of political ties or governmental influences. The process employed is non-adversarial and attempts to seek out mutually-satisfactory resolutions to problems. The Ombudsman administers the Ombudsman Act and presents an annual report to the Speaker of the Legislative Assembly. All complaint-related inquiries are directed through the Toronto office Client Access Centre.

MINISTRY OF THE ATTORNEY GENERAL

720 Bay St
Toronto ON M5G 2K1

The Ministry of the Attorney General delivers justice services to Ontarians by: providing effective prosecution services that support community safety and public order, providing criminal, civil and family justice services that are fair, timely and accessible; supporting fair, affordable systems for resolving disputes; supporting victims of crime by strengthening their rights in the justice system; supporting vulnerable people in making property and personal care decisions, on a last resort basis, that promote their dignity and autonomy; and by providing expert legal advice to government.

MINISTRY OF CITIZENSHIP, CULTURE AND RECREATION

6th Flr 77 Bloor St W
Toronto ON M7A 2R9

The mandate of the Ministry of Citizenship, Culture and Recreation is to protect human rights, support equal opportunity for all Ontarians, encourage the arts, preserve Ontario's heritage, advance the public library system, promote sport, recreation and physical activity, and maintain the Archives of Ontario. In the citizenship area, the ministry acts to: protect human rights and eliminate discrimination and barriers to opportunity to promote full participation of all Ontarians; support settlement and integration for immigrants to maximize the economic, social and cultural contributions of immigration to Ontario; support the interests of vulnerable adults who have difficulty in expressing or acting upon their wishes through a community-based approach that supports the role of families and volunteers; and encourage community and economic development in Ontario's aboriginal communities to achieve greater self-reliance.

MINISTRY OF COMMUNITY AND SOCIAL SERVICES

7th Flr Hepburn Block 80 Grosvenor St
Toronto ON M7A 1E9

The Ministry of Community and Social Services provides programs and services for: children, adults, physically and developmentally handicapped individuals and those in financial need. The Ministry of Community and Social Services, established in 1930 as the Department of Public Welfare, was formed as a result of the Ross Commission on Public Welfare. The Old Age Pensions, Mother's Allowance and Children's Aid branches, previously administered by the Provincial Secretary and the Unemployment Relief Branch from the Department of Labour, were amalgamated under the new department. In 1967, the name was changed to the Department of Social and Family Services and, in 1972, it became the Ministry of Community and Social Services. In 1974, the ministry acquired the Mental Retardation Program under the Developmental Services Act from the Ministry of Health. The children's services programs were transferred from the Ministries of Health, Correctional Services and the Attorney General.

MINISTRY OF CONSUMER AND COMMERCIAL RELATIONS

250 Yonge St
Toronto ON M5B 2N5

The Ministry of Consumer and Commercial Relations promotes a fair, safe and informed marketplace which supports a competitive economy in Ontario. The ministry sets standards of conduct for businesses and public safety standards for certain kinds of equipment; licences businesses; promotes consumer rights; investigates questionable business practices; takes enforcement measures when necessary; and registers vital statistics such as births, deaths, marriages and changes of names, land transfers and ownerships, and personal property other than land. The Liquor Licence Board and the Ontario Gaming Control Commission are being merged into the "Alcohol and Gaming Commission of Ontario". The Ontario Film Review Board classifies films and videos; the Ontario Racing Commission regulates horse racing; the Office of the Athletics Commissioner sanctions all boxing and wrestling events; and the Commercial Registration Appeal Tribunal holds public hearings of appeals related to 18 legislative acts.

MINISTRY OF ENERGY, SCIENCE AND TECHNOLOGY

4th Flr Hearst Block 900 Bay St
Toronto ON M7A 2E1

The Ministry's goal is to ensure access to affordable energy and encourage job creation and economic growth by fostering an effective and efficient framework of energy policy and regulation. A major policy direction is the introduction of competition in Ontario's electricity industry. The Ministry also has a lead role in policy development and coordination aimed at stimulating private sector investment in scientific research, innovation and technology development, and at increasing the effectiveness of the government's financial support for science and technology. At time of printing, the organization of the Ministry was not finalized. For telephone listings concerning energy-related programs, please see the Ministry of the Environment.

MINISTRY OF THE ENVIRONMENT

Suite 100 135 St Clair Ave W
Toronto ON M4V 1P5

The mandate of the Ministry is to protect and to enhance the quality of the environment for the present and future well-being of the people of Ontario. The Ministry's core business areas are: protecting the quality of the natural environment (environmental protection); and encouraging environmentally sustainable uses of our water, land, energy and material resources (conservation). The ministry is responsible for developing programs and policies that protect air, water and land, and encourage green industry and technologies. In October 1997, a new Ministry - Energy, Science and Technology - was created. At time of printing, the organization of the new Ministry was not finalized. For this reason, telephone listings for energy-related programs are under the Ministry of the Environment.

MINISTRY OF FINANCE

7th Flr Frost Bldg S
7 Queen's Park Cres
Toronto ON M7A 1Y7

The ongoing mission of the ministry is to manage the economic, fiscal, financial and related regulatory affairs of the province of Ontario. The ministry's two-year business plan is designed to boost economic growth, stimulate job creation and to establish a more attractive climate for investment. To achieve these goals, the ministry will focus on four core business areas: tax policy and administration; economic analysis, fiscal policy and controllership; government financing and debt management; and financial services industry regulation.

MINISTRY OF LABOUR

400 University Ave
Toronto ON M7A 1T7

Established in 1919 to develop and enforce labour legislation, the Ministry of Labour's mission is to advance safe, fair and harmonious workplace practices that are essential to the social and economic well-being of the people of Ontario. Through the ministry's core businesses of occupational health and safety, employment rights and responsibilities, labour relations and internal administration, the ministry's mandate is to set, communicate and enforce workplace standards while encouraging greater workplace self-reliance. A range of specialized agencies, boards and commissions assist the ministry in its work.

MANAGEMENT BOARD OF CABINET

12th Flr Ferguson Block 77 Wellesley St W
Toronto ON M7A 1N3

Management Board of Cabinet (MBC) is mandated under the MANAGEMENT BOARD OF CABINET ACT and the TREASURY BOARD ACT to provide central leadership on the management of government's financial, human and physical resources in support of the government's fiscal and policy priorities and operational objectives. MBC also acts on behalf of the government as employer on issues between the government and its public sector employees and their bargaining agents, including collective bargaining. The Board consists of a Chair, Vice-Chair and four to six other members of the Executive Council designated by the Lieutenant-Governor-in-Council. The Management Board Secretariat provides staff support to the Board in matters related to the MANAGEMENT BOARD OF CABINET ACT, the TREASURY BOARD ACT, the PUBLIC SERVICE ACT, the PUBLIC SERVICE PENSION ACT, and the FREEDOM OF INFORMATION AND PROTECTION OF PRIVACY ACT.

MINISTRY OF MUNICIPAL AFFAIRS AND HOUSING

17th Flr 777 Bay St
Toronto ON M5G 2E5

The ministry's vision statement calls for local governments that are more efficient, accountable and effective in meeting local needs; and a strong, competitive housing market with protection for consumers. The ministry is responsible for providing the governance and financial framework for local government; developing and administering the legislative and policy framework for land-use planning and defining and representing provincial interests; administering and reforming social housing which is funded by the municipalities; developing and administering a regulatory framework for private rental housing; and providing the regulatory framework for buildings.

MINISTRY OF NORTHERN DEVELOPMENT AND MINES

159 Cedar St
Sudbury ON P3E 6A5

The Ministry's mandate is to support northerners in their ongoing dialogue with the Government of Ontario and to work to develop a healthy business climate that encourages mineral investment and exploration. The Ministry's new business plan identifies core businesses which will help build a strong and vibrant North and maintain core services for Ontario's mines and minerals industry.

MINISTER RESPONSIBLE FOR PRIVATIZATION

Suite 400 North Tower 175 Bloor St E
Toronto ON M4W 3R8

The Minister without Portfolio Responsible for Privatization has the responsibility for reviewing government businesses and entities through the Ontario Privatization Review Framework to see if continued government involvement is warranted, and if there are ways to improve service and value to taxpayers. Each review will incorporate expert advice and public input and will consider a wide range of options, including different forms of public/private partnerships, joint ventures, long-term leasing, not-for-profit corporations, the divestiture of assets, and having the government retain the business, improving its service and operations. The Cabinet Committee on Privatization (CCOP) oversees the process and sets guidelines for protecting the public interest. CCOP also makes recommendations to Cabinet on approval of privatization candidates and priorities, on regulatory and legislative changes, and develops and oversees implementation.

ONTARIO PUBLIC SERVICE APPEAL BOARDS

Grievances from Crown Employees in bargaining units are heard by the Ontario Crown Employees Grievance Settlement Board. The Public Service Grievance Board hears grievances from non-bargaining unit personnel. The Ontario Public Service Labour Relations Tribunal administered THE CROWN EMPLOYEES COLLECTIVE BARGAINING ACT regarding collective bargaining, union representation and general matters concerning bargaining units. Its authority to hear new cases was terminated on February 14, 1994. The Classification Rating Committees authority to render a decision in any matter not decided before April 1, 1996 has been terminated.

INVESTIGATION AND ENFORCEMENT DIRECTORS' COUNCIL

The Ontario Government Investigation and Enforcement Directors' Council provides the appropriate environment for senior public servants to exchange information, and share ideas and concepts involving enforcement practices and human resource policies. This cooperative spirit contributes to Ontario's commitment to improve customer service, enhance social conditions, utilize existing resources while not adding pressure to the economic climate and equally importantly making Ontario a better and safer place to live.

POLICY EXECUTIVES' COUNCIL

The Policy Executives' Council is a community of senior policy executives, appointed by deputy ministers or agency heads, with membership from across the Ontario Public Service. Meeting regularly each month, the organization's goal is to contribute value added leadership to policy development by facilitating inter-ministerial policy development coordination and response to government policy initiatives. The council promotes this goal through information-sharing, networking and professional development activities.

TELEPHONE DIRECTORY
PACE COORDINATORS

The PACE database (Public Access Corporate Enquiry) is one small part of the Ontario government Service Delivery Restructuring Project, established July, 1996. In addition to enquiries, PACE information is used to produce the Government Telephone Directory, KWIC Index to Services and Freedom of Information Directory of Records. Each ministry has designated an individual as PACE Coordinator, responsible for the content and accuracy of their ministry's information.

Government of Ontario

Telephone Directory Addendum

1 9 9 8 Edition

Due to a programming error in our new desktop publishing format, the following names were not included in the alphabetical listing at the back of the directory. Please note these names are listed on the government Intranet (<http://intra.gov.on.ca>) and Internet (<http://www.gov.on.ca>) sites.

Further requests for changes should be directed to your ministry telephone directory PACE coordinator (see Page 587 of the phone book for the name of your ministry representative). Updates on the Intranet and Internet are completed each week.
